CERTIFICATION OF NECESSITY FOR A SUPPORT /ASSISTIVE ANIMAL

Oliver Management Services, Inc. provides for residents to have certain types of pets in the housing development. Occasionally, we receive a request for reasonable accommodation of a support animal. Many times the animal requested is not an animal that would normally be allowed, or there is a request for more than one. While Oliver Management Services, Inc. understands that a support animal is not categorized as a "pet", we must still be concerned about types, numbers and size of any animal(s) being submitted for approval under the reasonable accommodation requirement.

The following client has indicated a necessity due to a disability to have the support animal(s) listed. Please review this request and provide answers to the questions that follow, and kindly return to our office at: OLIVER MANAGEMENT SERVICES, INC., 5713 GRAND AVENUE, SUITE B, DULUTH, MN 55807 OR FAX TO: 218-624-2235
